You are ready to live it out on purpose. The time is now. It's NOW! Live out your dreams – Changing Your Life Starts With Living Your Dreams Start Living Your Dreams Out Loud This is the time that you have been called to start living your dreams. This is the time when you're ready for it. This is the time when you're afraid or doubtful or ready to question your calling or destiny. I know what it's like to question my calling or destiny. I felt it for years. I would look to other things for an answer. I would question my dreams. I'd question what I'd been put on this earth to do. I would question God's plan or calling for my life. I was waiting. I was praying, hoping that maybe my time would come. But it would be years and years until I felt it. I was told, you don't question it. You live it out, man. This is the time when you live out your destiny. It was my dream to start a ministry with people who felt they were "destined to do" something. But there was something missing. I was afraid to do it. Afraid that I was waiting my life. Afraid that nobody would be interested in hearing me speak or what I had to say. And I was just waiting. So I said, "OK, if I really think about it, how do I know if I'm supposed to do this or not?" I thought about it, and waited to feel that something was nagging me in the back
